

# Grant Application Review Final Evaluation Report

## Value Proposition

- IT IS

An assessment to provide an indication of the overall quality of the grant application.
- FOR

Anyone pursuing grants as an additional source of funding.
- THAT

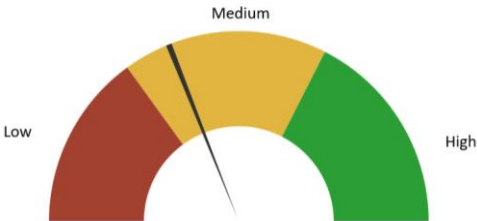

Helps you get more awards from agencies providing grants.
- UNLIKE

No or internal-only reviews which can cause critical information to be left out or unclear.

## Recommendations

Include a clear objective that your organization would like to pursue with the grant funding award.

Grant Management Continuous Improvement

The Grant Application Review service and its deliverables are provided on best-effort basis upon review of the client's documentation and should not be construed as legal advice or confirmation that you will be awarded the grant. Clients should consult with their lawyers to obtain advice specific to any contractual language and contact the agency awarding the grant for additional information.
